Foreword

What to remember-what to forget is always a question facing any staff in determining the construction of a yearbook, a pipeline to memories for all who look upon it in the far away places each will occupy in tomorrow's world. Since all school life, academic as well as organizational, emphasizes and stresses development of young people for those faraway places, the annual staff chooses to reflect that emphasis in the pages of this book.

"Oh, better than the minting
Of a gold-crowned king
Is the safe-kept memory
Of a lovely thing."

These words of Sara Teasdale effectively set the basic theme for the 1960 edition of *The Tiger*. May it always remain a storehouse for the imagination, a treasury of reason, a registry of conscious endeavor and a transistor of thought. Let us all remember that yesterday is but a dream, and tomorrow is only a vision, but today, well lived, makes every yesterday a dream of happiness and every tomorrow a vision of hope.

If you, while looking through the pages of this book, find a touch of vivid memory added to your life, then our purpose as a staff has been accomplished.

The Student Council

Larry Welch, the incoming president receives the hand of fellowship from outgoing president John Brewer.

Something new came to the college this year. The nationally popular coffee hour arrived in the club-rooms through the action of the student council. Another contribution was the air conditioning of the library which made early fall and late spring study much more enjoyable. The ever popular Christmas and spring parties were the most colorful and unique.

The Thespians

The drama students in 1958 organized the Thespian Society especially to extend the interest in the theater and all dramatic presentation of literature. Sponsored by Rita Ludwig the group holds monthly

meetings for study and fun. They make up theater parties for plays in neighboring cities. Each year the players, with the help of other interested people, present at least one full length play.

The Student Education Association

The C.E. St. John Chapter of the Student National Education Association is a college organization preparing students for a professional teaching position. This is a local organization which is part of a State and National set-up.

The membership, each year, earns enough money to give some local college student a scholarship. Scholarship money this year was earned by selling stationary and light bulbs.

Monthly programs of wide variety were prepared by Glenda Webster, Vice-President. Two of the main events during the year included the initiation service held during National Education Week, and the Spring Banquet held in May of each year.

The Deca Club

Organized last year for the betterment of school life and individual growth of merchandizing and salesmanship skills, the Distributive Education Club of America has grown into one of the more popular organizations in the school system. While it is open to both college and high school students, the college students, pictured above, dominate the leadership of the group.

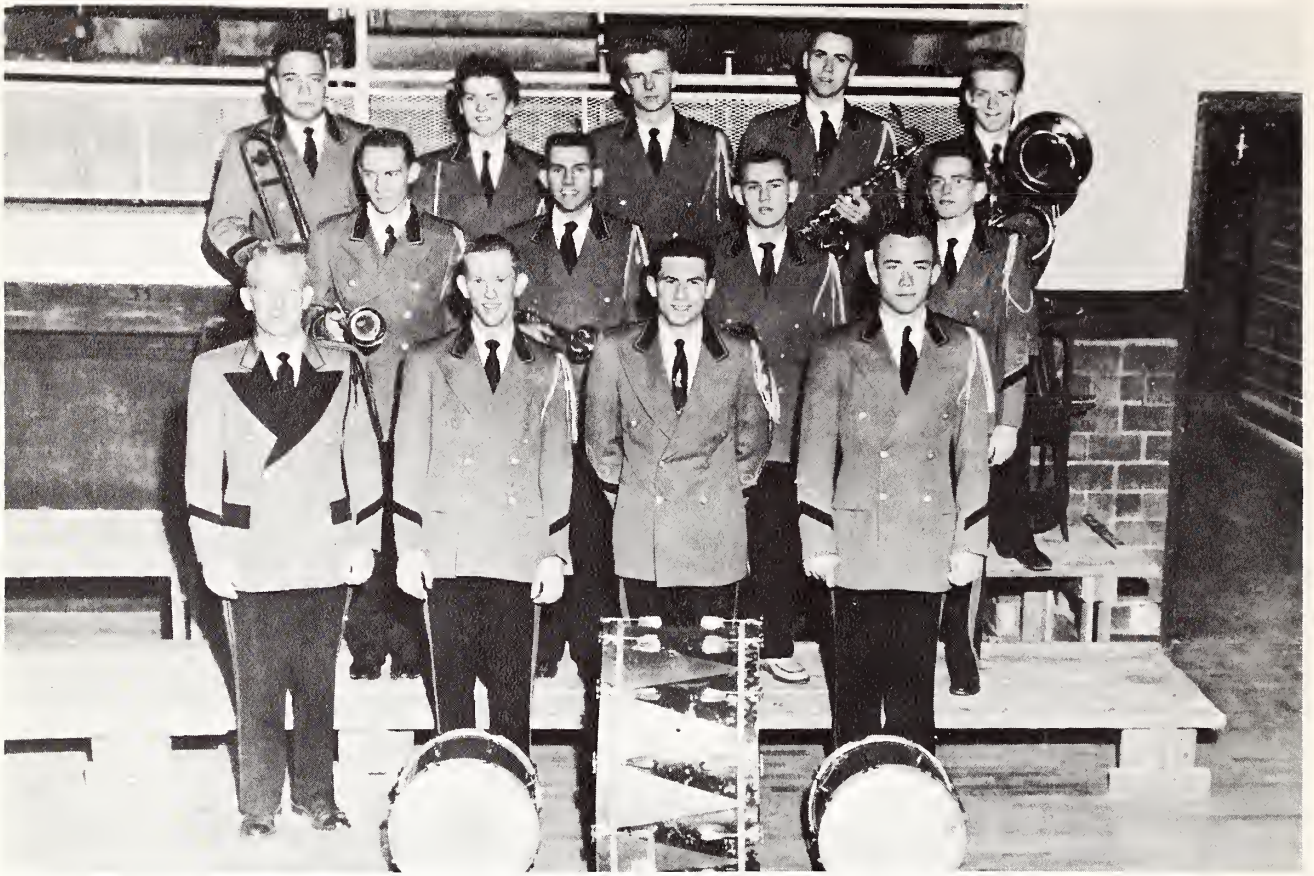

The in-school activities include a picnic, box supper, "sock hop" and ends with an employers' banquet. Activities on the outside, besides the everyday work at some specific job, include a trip to

Emporia State D.E. Contest and the observation trip to the national finals in Kansas City, Missouri.

Needless to say, it was a profitable year in all ways.

The College Band

What the band lacked in size it made up in quality, tenacity and loyalty to all the activities of the school where instrumental music was a factor. If it was cold, or wet at the football games, the band was at work. If it was a league, or non-league basketball game, or a pep assembly, one heard the band.

this year was the choice of the Student Council to have it furnish the music for the annual Tigerama. By this a three way service was performed--experience, a savings for the council, and an income for the band members.

Tiger Football

For 1959

The 1959 football season for the A.C. Tigers had many interesting facets. In coaching terms it was a "building" year. Only seven lettermen were back. The remainder of the large squad was young and inexperienced in collegiate football. The team was light and outweighed as much as thirty pounds to the man against such teams as Garden City and Dodge City.

In persistence and fighting spirit one saw the toughest team in the history of A.C.J.C. Only one team, Independence, beat the Tigers more than one touchdown. Believe it or not, but the high points or

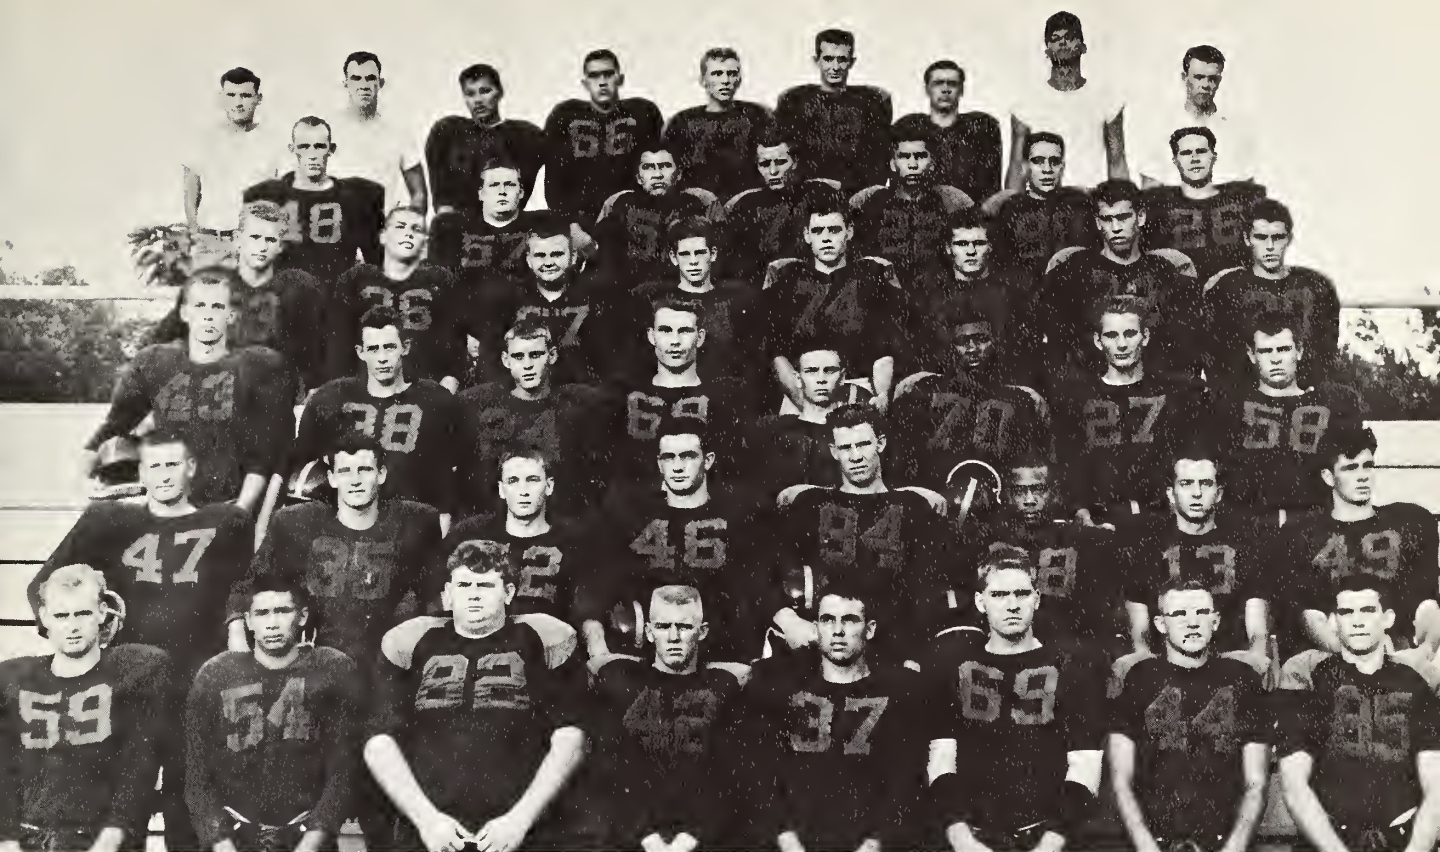

the season were not in the victories. The game with Dodge City, resulting in a "stunning" tie, was largely due to the fact that the team simply refused to quit, even though it was both sick and out manned. The final game, with a victory over Tonkawa in the last six seconds, indicates a fine future for the now experienced Tiger squad.

As one reminisces over 3-1-5 season, it behooves him to think over the unique features of the team and the several games, and to give credit where credit is due.

HANK HEIDEBRECHT, sophomore center from Inman, Kansas, known as "Hank the tank". Leading scorer and rebounder in the Conference. Rated as most potential player and named honorary co-captain for the year. Named to the All Star team and ranked on the All Regional Team for Region VI.

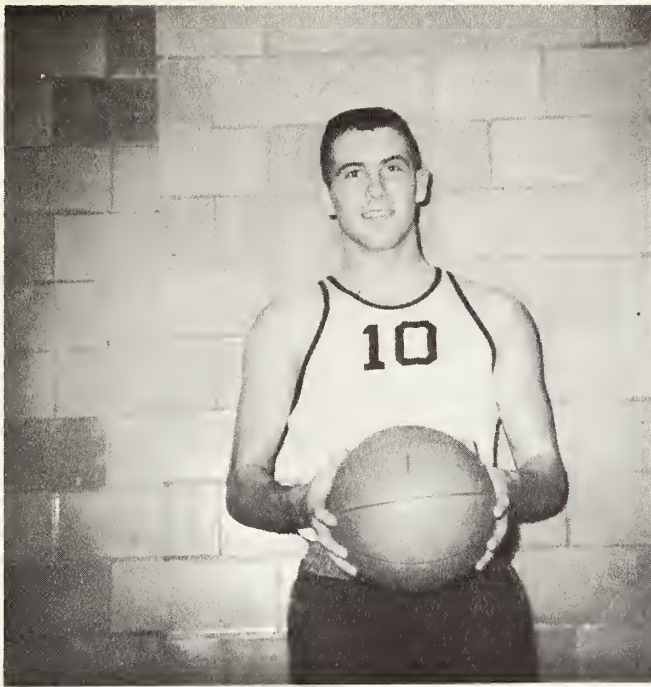

J.D. SMITH, sophomore guard from Dakoma, Oklahoma, called "the greatest of the little men". When he was going there was just no stopping "the terror". Named honorary captain for the year. Named to the All Star team and voted the most inspirational player to receive the Kiwanis award.

MARVIN ADAMS, sophomore guard from Salem, Missouri--"the happy go lucky man". Great shooter, kept the Tigers in many a ball game. Voted the most improved player--BILL WALKER, sophomore forward from Ponca City, Oklahoma--probably the best sixth man in Region VI could always

count on Bill when things got tough.---PHIL TRUBY, sophomore guard and forward from Anthony, Kansas--"the hatchet man"--known for aggressiveness on the floor and off the board.

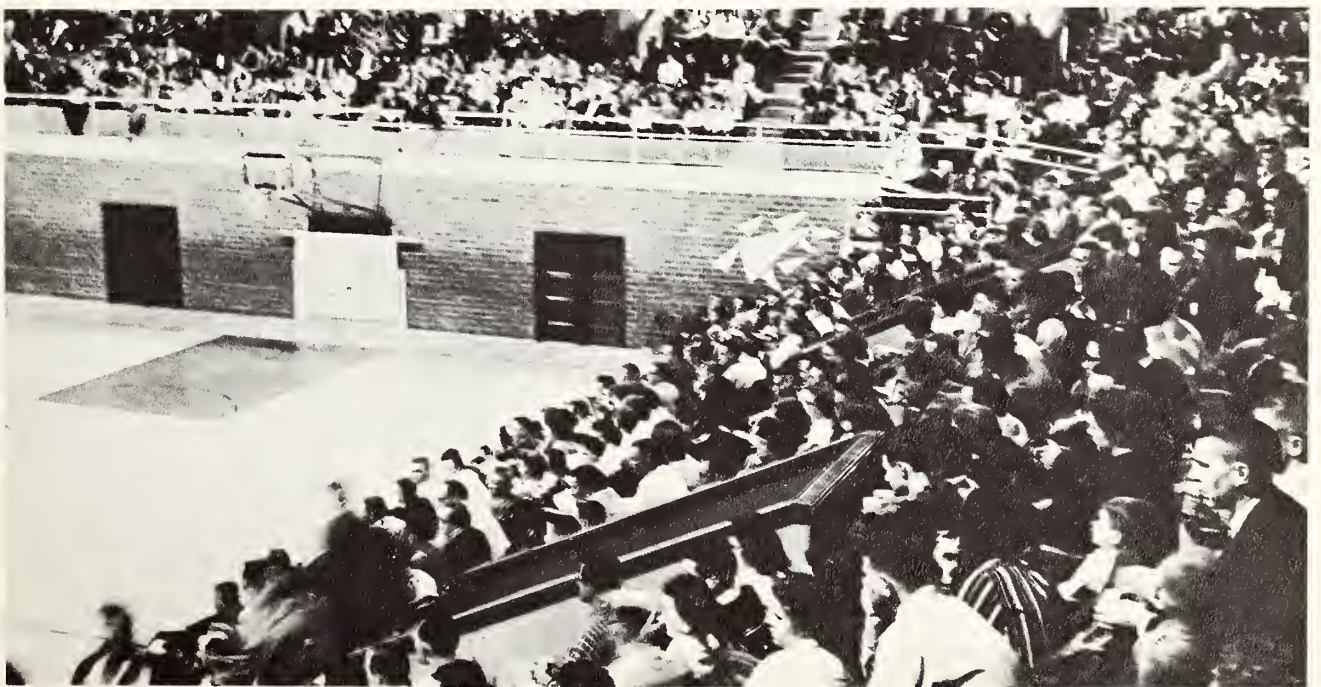

DAVID HOLT, freshman forward from Cedar Vale, Kansas—a great shooter and rebounder—excellent on defense. Second top scorer on the squad—Voted the best all around player. LOYE SPARKS, freshman forward and the only Ark City

mon on the team. Voted the most potential freshman player and ranked on the All Region VI team. Other men lettering but not pictured here are Morvin Cox and George Aleshire.

General view of the Auditorium Gymnasium the night of the big game with Hutchinson in the Region Six finals where the Tigers were nosed out in the very last seconds of the game. . .

Real action in the Region VI tourney started when Sparks and Heidebrecht successfully defended the goal. Again it's Hank out front, fighting like a real tiger to down

Hutchinsan in the finals. That's why Sparks and Hank made the regional team. But let's not overlook Coach Jeffrey--man is he asking for it here? And the bays dished it out.

Juco Men of the Racket

GEORGE ALESHIRE-placed 2nd in the State and 3rd in the Nation last year. Nucleus for the current men's doubles this spring.

BOB SCHOOLEY-placed first in the State and third in the Nation last year. Stands a good chance at hitting tops again this spring.

After placing first in men's singles and second in doubles last spring at the State Meet in Hutchinson, the Tiger squad journeyed to Rochester, Minnesota, for a five day meet against a field of sixteen teams from seven States. Bob Schooley placed third in men's singles while George Aleshire, teamed up with

Bob Buzzi, placed third in doubles. In final tabulation the group came out second in the meet. A repeat performance is expected for this year at Hutchinson and a better one at Rochester. Below are the four who lettered last season and are members of the present squad.

Phil Truby, Charles Stebbins,
Bob Schooley, George Aleshire.

Reading from left to right are the men comprising the tennis squad for the Spring of 1960--Jerry Waltrip, sophomore; Charles Stebbins, sophomore; Phil Truby, sophomore; Bob Schooley, sophomore; Gary Kirchmeyer, freshman; Mike Dial, freshman; George Aleshire, sophomore.

Track and Golf

Due to horrendous snow and sub zero weather in March, the track squad did not get underway until it was too late for any picture in the annual.

It is the hope of the staff that a good report will be turned in at the end of the season and that other national records will fall as they have the past two years by such performances as turned in by D.J. Palmer last year and the year before by Jan Chapman.

Coach Bohannon had a dozen meets proposed for the boys.

Another casualty of bad weather in March was the golf squad's picture. Action did not get started until it was too late for pictures. It can only be hoped, here, that proper notes can be inserted by those interested concerning the outcome of the Tigers on the greens and fairways.

Features

Queen Alalah and her Court on the royal float in the giant Arkalala parade.

Early in September these top ten coeds were selected by the faculty to be submitted to the student body and the community to be voted upon for the coveted position of Alalah XXVIII: ROW 1: Janet Borton, Sara Blass,

Carolyn Foltz, Donna Locke, Becky Mathiasmeier. ROW 2: Lyndo Moore, Gayle Pancake, Sharon Reynolds, Juanita Sheldon, Ruth Steiner.

The annual Christmas party featured the theme "Melody of the Bells"— prettiest party of the year!

Even the receiving line was fun as demonstrated by these Juco students.

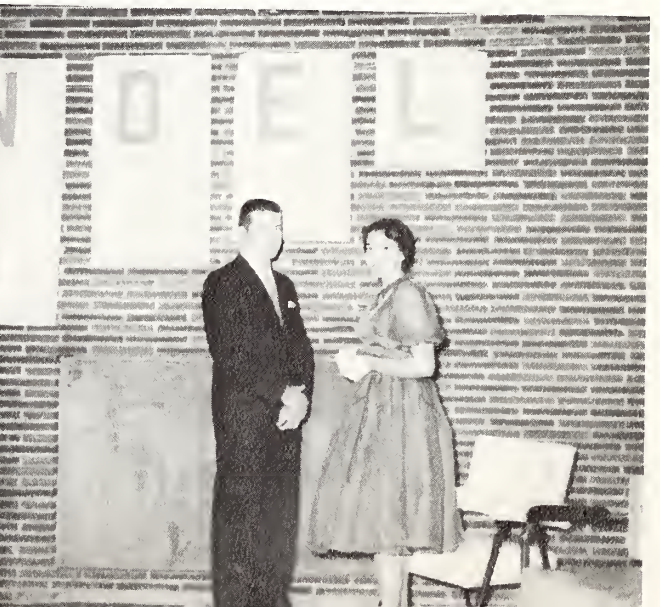

The social committee really went all-out with impressionistic trees and bells. We liked it.

In the wee hours they were still swinging to the jive of "The Five Guys."

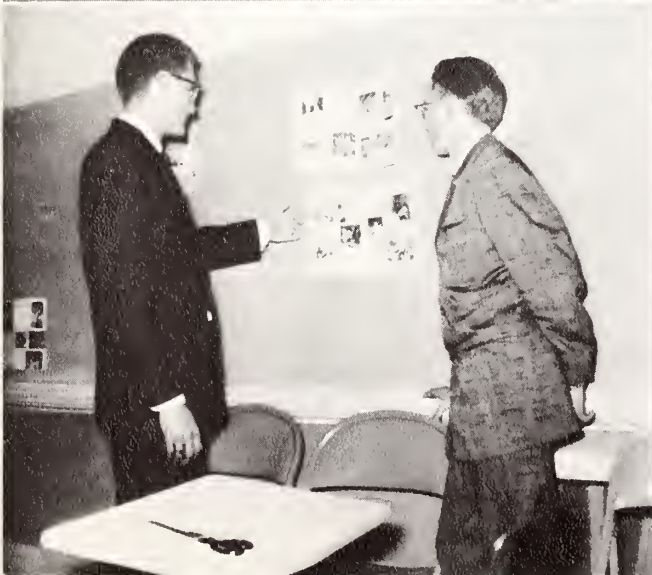

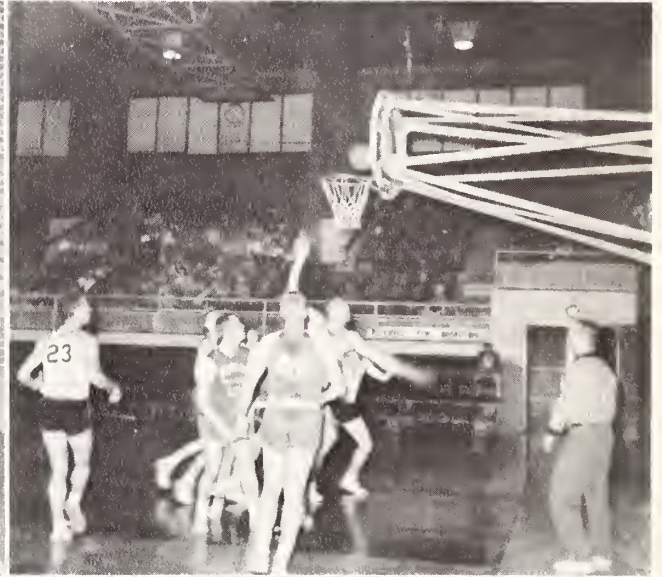

More of the unusual decoration with the usual array of dates.
